

Healing Hate Conference: A Public Health Perspective on Civil Rights in America January 30-31, 2020

Day 1: Civil Rights Advocacy and Health Equity

January 30, 2020

*Conference sessions will be held in the Caplin Pavilion at the University of Virginia School of Law.
(580 Massie Road, Charlottesville, VA 22903)*

9:00 AM – 9:10 AM	Welcome – Dean Risa Goluboff , J.D., Ph.D., University of Virginia
9:10 AM – 9:15 AM	Keynote Introduction – Dayna Bowen Matthew , J.D., Ph.D., University of Virginia
9:15 AM – 9:45 AM	Keynote Speaker – Angela Harris , J.D., University of California Davis, will provide an overview of the Civil Rights of Health theory, as detailed in the recent article, “The Civil Rights of Health: A New Approach to Challenging Structural Inequality.” The presentation will frame health as a civil right for the sessions on day 1. A panel of 3-4 speakers/respondents will discuss the Civil Rights of Health theory with regard to their work/areas of expertise. Topics may include hate speech and First Amendment issues, violence, public health, and/or law.
9:45 AM – 10:30 AM	<p>Keynote Respondents – Respondents will address the health justice movement. Subordination of the poor, women, racial and ethnic minorities, the LGBTQ+ community, and immigrants is at the center of the problem of health disparities. The civil rights of health framing is a new way to examine ways that understanding social injustice at the root of health disparities as both a health and moral issue that can reinvigorate civil rights advocacy.</p> <p>Moderator: Dayna Bowen Matthew, J.D., Ph.D., University of Virginia</p> <p>Panelists:</p> <ul style="list-style-type: none"> • Sarah de Guia, J.D., ChangeLab Solutions • Kim Forde-Mazrui, J.D., University of Virginia • Alex Tsesis, J.D., Loyola University Chicago • Sidney Watson, J.D., St. Louis University • Ruqaiyah Yearby, J.D., M.P.H., St. Louis University
